BIKE SAFETY!!

Mayor DiGirolamo and Bensalem Police Promote Bike Safety through school assemblies

THE BEST OF THE BEST AT ST. CHARLES BORROMEO SCHOOL

GIRL POWER!!

Each year Mayor DiGirolamo is invited to attend a pizza party, for which he is the guest of honor. Top notch students are selected to accompany the Mayor to lunch, if they have met the scholastic criteria presented to them. To the best of our knowledge this was the first year the winners were all girls. Way to go! Keep up the excellent work.

WEDNESDAY SUMMER NIGHTS AT THE TD BANK AMPHITHEATER . . . THE SONGS REMEMBER WHEN

It just keeps getting better. Is that possible? It sounds self-serving but it's true! The 15th season of summer concerts at the TD Bank Amphitheater in our beautiful Central Park was one to remember. Sometimes the weather was not a friend, but we managed to put forth a great mix of tribute band presentations.

The 2015 Season Pass will be available this year by December. What a great gift for the approaching holiday! For more information contact our Community Affairs Office at 215-633-3604.

Thanks to members of the Bensalem Historical Society for volunteering to conduct the Ultimate 50/50 Raffle during our concert season. Because of their efforts and the support of our fans, we raised close to $10,000 towards the funding of concerts and other venue needs.

Without the support of our sponsors and our audience we would not have this great concert series. Let's keep reliving the memories of our favorite bands and the music that transcends many generations!

THE BENSALEM ROTARY HONORS POLICE OFFICER OF THE YEAR

The Bensalem Rotary Club honored Detective Kevin Cornish as Bensalem Township's Police Officer of the Year at their June 3rd luncheon meeting held at Michael's Restaurant on Street Road.

The Bensalem Township Police Officer of the Year Award is presented to an officer who exemplifies the Rotary's mission of service above self as well as the Bensalem Police Department's mission of courage, integrity and community involvement. Each year, the pool of candidates for the award grows larger because the Bensalem Police Department is full of deserving officers. This year, Detective Kevin Cornish of the Special Victims Unit stood above the rest.

Detective Cornish began working for the Bensalem Police Department in 1998 and has been a member of both the SWAT Team and the Motor Patrol before moving over to the Special Victims Unit.

Working in the Special Victims Unit, Detective Cornish deals with some of the most horrific crimes imaginable, which has further strengthened his commitment to the community. After having been a lead investigator on a case involving two young girls who were removed from an abusive home with nothing but the clothes on their backs, Detective Cornish was determined to help the girls in any way he could. He spearheaded a fund-raising effort to collect money and gift cards for the girls so they could buy clothing, school supplies and accessories for their new bedrooms at their foster home. He also contacted local stores to get the girls discounts and even accompanied the girls on their shopping trips. Detective Cornish's commitment to helping children move on from abusive situations quickly became a department-wide initiative. Now, partnerships with local stores and in-coming donations are a constant so that every child who is saved from abuse by the Bensalem Police Department can receive additional support from the department and the community.

In addition to his exemplary work as a police officer, Detective Cornish also takes time out of his busy schedule to volunteer as a coach at the United German Hungarian Club and to make presentations in the community on bullying and computer forensics.

The Bensalem Township Police Officer of the Year Award was presented to Detective Cornish by Bensalem Township's Director of Public Safety, Fred Harran and Bensalem Rotary Club President, Roger Caine. Detective Cornish received the award in front of a packed house of Rotary Club members and guests, which included his wife, daughter and father.

The Bensalem Rotary is an all-volunteer organization dedicated to improving the lives of Bensalem residents and raising money to help those in need. The club meets every Tuesday at 12:00 noon at Michael's Restaurant on Street Road for an informal luncheon and occasional guest presentations. All are welcome to join us for lunch or do a 15 minute presentation about your nonprofit or community organization. To learn more about the Bensalem Rotary, visit www.bensalemrotary.org.

PENNSYLVANIA TURNPIKE CONSTRUCTION

The Pennsylvania Turnpike construction seems like a never ending project. With a project of this magnitude, it's going to take a while. This project is officially known as the "Section B - Mainline Toll Plaza in Bensalem", all funded by the Pennsylvania Turnpike Administration, not Bensalem taxpayers.

PROJECT DESCRIPTION

Toll plazas are currently located at the eastern end of the Turnpike at the Delaware River Bridge (Exit 359) and the Delaware Valley Interchange (Exit 358). In order to complete the connection between the Turnpike and Interstate 95, the tolling facilities need to be relocated. The new mainline toll plaza will be relocated just east of the Route 1/Bensalem All-Electronic Interchanges.

This project includes two separate locations at which the toll facilities will be built. The first project worksite is located between milepost 351.4 - 354.1. In this location, a portion of I-276 will be reconstructed and widened, and a new mainline toll plaza will be built at milepost 352.6. The second project worksite is located at the existing Delaware River Bridge toll plaza at milepost 358, just west of the Delaware River Bridge crossing in Bucks County, and will include the construction of an Open Road Tolling System.

PENNA TURN PIKE

GALLOWAY ROAD EXTENSION

Construction commenced on the Galloway Road Extension early this summer. This roadway improvement will connect Galloway Road to Bridgewater Road, alleviating traffic congestion on Hulmeville Road. With this connector road motorists including school buses and trucks have an improved transportation route in this area.

White Dove Charities
whitedovecharities.org

White Dove Charities came together as a group of strong women in 2009, determined to make a difference in the lives of those struggling with life's hardships. The Doves are elated to have raised over $28,000 for our community, and are grateful for the opportunity to help make Bensalem a better place to live and raise our families. We encourage all (21 years old and up) to come out and support this wonderful cause. The venue is limited to 125 people so get your tickets early.
