<i>Depressed curbs abutting Township and State roads are to be constructed in the following manner:</i>					
1. The dimensional requirements shall be: (a) 12'x4" depression for single car drive. (b) 20'x4" depression for double car drive.					
2. The expansion joint requirement shall coincide with the standard curb requirement.					
3. The concrete must meet 3500 psi.					
4. No. 4 reinforcing bars shall be laid in the depressed curb. Four bars in two rows of two each. (See "Typical Curb Details.")					
<i>NOTE: Three (3) plot plans and two (2) building plans must accompany this application. This application does not constitute a permit. Once issued, the Building Permit will be rescinded for any infraction of Township Codes and Ordinances as related to the permit, and penalties and fines will be assessed.</i>					
I/we hereby certify and agree that, if a permit is issued, all the provisions of the building and housing codes and the zoning and fire ordinances of the Township will be complied with whether herein specified or not; and, I/we hereby agree to save, indemnify, and keep harmless the Township of Bensalem against all liabilities, judgments, costs and expenses which may in any way accrue against said Township of Bensalem in consequence of the granting of the permit or from the use or occupancy of any building, sidewalk, street, or sub-sidewalk placed by virtue hereof and will in all things strictly comply with the conditions of the permit.					
I/we hereby acknowledge that I/we have read the application; that the information given is correct and that I/we am/are the owner or the duly authorized agent of the owner.					
I/we agree to comply with the Township and State laws regulating construction.
